Important information about Xfinity services in your community.

Dear Resident of Aquavista Condominiums,

We recently teamed up with your community to bring you the best in entertainment and reliably fast Internet from Xfinity. Starting 9/15/2020, residents of Aquavista Condominiums are eligible to receive the following services:

Xfinity TV
Digital Starter, HD and HBO
1 HD TV Box and 2 HD TV Adapters

Xfinity Internet
Performance Internet with download speeds up to 100 Mbps
Wireless Gateway

We are reaching out to share the steps Xfinity Communities is taking to support you and your community amid growing concerns about Coronavirus. Although we would normally provide professional installation, concerns about COVID-19 have forced us to make a temporary change. Instead of an in-home professional installation, we will send free Self-Install Kits to residents of Aquavista Condominiums who do not already have the equipment included in the new bulk agreement. Please give us a call at 1-800-xfinity on or after 9/15/2020 to get started.

After you receive your Self-Install Kit, please visit xfinity.com/support, type "self install" into the search bar, and select the support article called "Self Install Kit Guides." You'll be able to watch a quick video that outlines how to set up, connect, and activate service all in a few easy steps. Or, you can download one of our easy-to-use setup guides.

As always, if you have any questions, please give us a call at 1-800-xfinity. For more information about our response to the Coronavirus, visit xfinity.com/prepare.

We look forward to serving you!

Sincerely,

Your Xfinity Communities Team
